YOUNG ARTS SPONSORSHIP GUIDELINES

ArtsNational Launceston is committed to providing opportunities for young people, under the age of 22 years, who wish to pursue Young Arts projects.

The term *Young Arts* encompasses literature, music, photography, performing arts and fine arts.

Young Arts Projects funding applicants must fill out an *ArtsNational Launceston Sponsorship Application Form*. Particular attention should be paid to Section 8, Terms & Conditions.

In general, ArtsNational Launceston seek to support projects:

- centring on creating or appreciating the arts; and
- concentrating on projects and recipient based in the Launceston area, although applicants from greater Northern Tasmania will be considered; and
- lacking the capacity to attract Institutional funding.

Preference will be given to projects benefitting a group rather than an individual.

The recipients of ArtsNational Launceston sponsorship will provide a written account and photographs of the project within 30 days of its conclusion (parental consent must be obtained for photographs of underage people).

Recipients of sponsorship are responsible for obtaining any necessary permissions for working with vulnerable people, including obtaining appropriate consent for use of photographic material.

Examples of Young Arts projects that might attract support are:

- Supporting art education specialist workshops for teachers.
- Visits to a gallery, museum, or a performance – funding for schools.
- Funding for schools to support a visiting performance to their school.
- Sponsorship of a local youth art group, youth orchestra or theatre group.
- Sponsorship of a specific programme within a school environment.

This list is by no means prescriptive.

ArtsNational Launceston may offer you a sponsorship amount that is less than your request. In that case it must be demonstrated to ArtsNational Launceston that the project can be completed using supplementary funding from another source.

An application form is attached for consideration.
